

BERGER PAINTS NIG. PLC

QUALITY POLICY

In Berger Paints Nig. Plc, we are committed to the application of modern technology and skilled manpower for the production of quality paints, allied products and rendering of related services that consistently meet and exceed customer's expectations within the framework of relevant statutory and regulatory requirements.

We achieve these by paying attention to and the continual improvement of our processes in accordance with the requirements of the NIS ISO 9001:2008 international standard.

Peter Folikwe
Managing Director
